English Language	Spanish	Geography	Music	History
English Literature		Latin	Physical Education	Three Dimensional Design
Mathematics		Three Dimensional Design	Geography	Geography
ICT		Physical Education	History	
One of:		Art (Photography)		
i. Core Science (1 GCSE)				
ii. Double Award Science (2 GCSEs)				
iii. 3 Separate Sciences (3 GCSEs)				

- Students opting to study all 3 separate Sciences, on the recommendation of the Head of Science, will be expected to choose subjects from 2 option blocks only.
- Students opting to study core science (one GCSE), on the recommendation of the Head of Science, will normally study additional English and Mathematics in order to raise their performance in these key subjects.
- For those for whom English is an additional language, EAL will replace English Language and Literature lessons. Such students will also receive teaching in their native language, in place of a modern language option.

*(these blocks are subject to change as student preferences also change)*
