New Hall Multi Sports Camp is a 3-day course which offers boys and girls in Years 5 - 8 a chance to enjoy a range of sports and develop their skills under the guidance of New Hall's Physical Education and Sports teachers.

The days will be packed with sport and competitions including tennis, softball, basketball, swimming, badminton, hockey and football. There will be competitions each day with team and individual winners. The course aims to improve personal confidence and team work, but above all is exciting and full for all. Participants will have an opportunity to use the school's excellent facilities including the indoor pool, Sports Hall, tennis courts, athletics track and astro turf and it will be a great introduction to the school for new students joining in September.

Participants require suitable sport clothing for all weather conditions. All sports equipment will be provided, but students can bring their rackets for badminton and tennis and hockey sticks if they wish. Students should bring their swimming costume/shorts on the first day with a towel. They should also bring their own packed lunch and have plenty to drink.

The course fee for the 3 day Multi Sports Camp is £75 and includes all training and a certificate of participation.
