### *Senior Netball v Woodbridge School: Lost 22-12*

*Player of Match; Gloria Bajowa*

A mixture of first and second team players were involved in their first senior netball fixture of the season against a strong first V11 Woodbridge side. New Hall were up to the task and kept in touch with the Woodbridge side until the last quarter. New Hall attacked well and Rebecca Murphy and Eloise Day proved a solid partnership in the attacking circle. The Woodbridge GS was particularly consistent when allowed near the post but Gloria Bajowa

as GK had an excellent game making a number of important interceptions and turning the ball over at regular intervals. Occasionally silly mistakes allowed loss of possession for New Hall but there was a lot to recommend with some excellent play from all members of the team which is good news for future fixtures.

#### *U15A Netball v Ipswich High School*

In the first match of the season The A team suffering from illness and injury made a shaky start against a confident Ipswich High School who took a 7-2 lead in the first quarter. Being ably led by their captain Tara King at the changeover New Hall showed tenacity and greater fluidity to close the gap to 11-6. Ipswich came back more determined in the third quarter to increase their lead to 18-9, although we came back with vengeance in the final quarter winning it 7-4. Although the final score was a 20-15 defeat for New Hall, our girls showed great individual skill which on occasions came together to produce some excellent sequential passing. Special mention should go to Francesca Bazely, and Emily Holloway who played some outstanding netball in center court, and to Ailish Hunt whose balletic interceptions saw her deservedly nominated as player of the match. Although a disappointing result the girls should be proud of the way maintained a positive approach to the match coming from behind to end the match on a high. Well done!

#### *U15A v Woodbridge*

On Saturday morning the U15A team travelled to Woodbridge without 3 of their normal team and missing both shooters. Undeterred the girls came out determined from the outset. Emily Holloway captained the team from the center, and in spite of carrying an injury herself, ensured that we converted the first center pass and took an early lead. Vera and Julia standing in as shooters rose to the challenge and did not let their nerves show. Being ably fed from Francesca and Emily they built upon an early lead to score 24 goals in total. The final score of 24-5 was not a true reflection of the match. Whilst we never looked in danger of losing, Woodbridge had much possession in their attacking-third; it was thanks to some outstanding interceptions from Tara and Grace that they were prevented from challenging our lead.

For her outstanding play in mid court Emily Holloway was awarded player of the match. A fantastic display of teamwork girls well done!

#### *U15B v Ipswich High School*

The B team were well prepared for their first match of the season after watching the A team play well but be frustrated by a loss due to a slow start in their first quarter. Determined not to fall in the same trap the B team started with a clear determination and had secured a good lead after the first quarter. Ipswich High School pulled back during the second and third quarters but our quick attack and tight defence ensured we maintained a narrow victory throughout. Strong teamwork during the final 8 minutes confirmed our victory with a final score of 11-9. A special mention must go to Julia Fernandez, Cherie Knight and Vera Wang who played their first ever competitive netball match in this fixture. Julia also proved that she has managed to adapt her excellent basketball skills to this new game of netball with all its strange rules as she was awarded Player of the Match. Well done to all the girls; an excellent start to the season.

#### *U15B v Woodbridge School*

A strong B team squad boarded the coach for Woodbridge early on Saturday morning despite a few last minute changes to the team lists on Friday due to illnesses within the A team. This proved to be another indoor game which often results in a slightly frantic, almost panicky pace of play but this time the B team played with more control, choosing the

best option rather simply the first one! Emma's calm demeanour as Centre and Captain helped lead the team to their second victory with a final scoreline of 17-7. Player of the Match was awarded to Sophie Nixon; well deserved for her good shooting skills and quick pace around the court, opening up space for the attack. A special mention must also go to Daisy Perez who played her first competitive netball match. She has worked hard in adapting her basketball skills to netball over the past 2 weeks and has certainly mastered the different skills required for moving around the court and for shooting. The A and B teams victories, despite the loss of both shooters in the A team is testament to the strength and versatility within the U15 squad this season and bodes extremely well for the remaining matches. Well done girls!
