

# New Hall Parents' Association

---

*working together for our children*

Dear Parents

**Re: New Hall Parents' Association (NHPA)**

The New Hall Parents' Association has been running for over 16 years, working hard to raise funds for the pupils of New Hall School.

One side of the Parents' Association is to organise and run events like the Christmas Parties, the biennial Ball and the Christmas Fayre. In addition, the Parents' Association provides refreshments at the Preparatory and Senior Division Sports Days.

Over the years, our fundraising has purchased: flood lighting for the astroturf, retractable seating in the Eaton Theatre, playground equipment for the Preparatory Divisions, sports equipment, benches, theatre lighting, a memorial and Years 6, 11 & 13 Leavers' gifts. Current projects that we are supporting include the refurbishment of the Denford Rooms to provide social and meeting facilities for students, parents and members of the local community.

We have a committee of parents and teachers that meets once or twice a term and we also have a "Friends List" which is for parents who cannot make meetings, but would like to help at events, even if it is only one throughout the year. Please do not feel that you have to help for the whole event, even if you can give us a couple of hours, it would be very much appreciated.

We warmly welcome potential new members of the committee from both the Senior and Preparatory Divisions. We are a friendly bunch of people and it is a wonderful opportunity to do something for your children and get more involved with the social side of the school. The committee is made up of officers and up to 15 other members. If you would like to either be on the committee or to help out on occasion as a 'friend' of the NHPA, please contact Mrs Brignell in the Preparatory Divisions via email, [l.brignell@newhallschool.co.uk](mailto:l.brignell@newhallschool.co.uk).

We thank you in advance for any help and support you are able to offer the NHPA.

Yours sincerely
