YEAR 9 MUSIC SCHOLARSHIP, 2020-2021

Wednesday 29 January 2020

Candidate's Name: _____

Candidate's Current School: _____

Candidates should be prepared to present performances in two disciplines, one of which may be singing. An accompanist will be available and candidates should ensure that they supply piano parts as appropriate. **Please be aware candidates are not required to bring an accompanist with them.**

Candidates who are not offering singing as one of their disciplines may also prepare a short song, *e.g.* a folk song or verse of a hymn, which may be sung with or without accompaniment.

Candidates are advised to choose pieces which show their performance skills and musicality at their best, rather than pieces which stretch their technique to the limit. Candidates are welcome to bring more instruments and these will be heard if time allows.

Candidates will have the opportunity to talk about their music making in an interview. We are looking for students who have a love of music and a passion for sharing music with others.

The Music Scholarship Assessments will take place on **Wednesday 29 January 2020**. The time of assessment will be confirmed closer to the day.

The Director of Music is happy to offer advice on the scholarship process: i.morgan-williams@newhallschool.co.uk
